Boards of Management of Schools

The current 4-year term of the Boards of Management of our three National Schools will expire on 30th November 2019. The parish is greatly indebted to all who serve on the Boards for their commitment and dedication to attending to the educational needs of our young people and supporting our teachers, all school staff and parents.

The process of forming new Boards of Management is under way. Their 4-year term of office begins on 1st December 2019. The Board consists of two elected parents (one mother and one father), two teachers (the Principal and an elected teacher), two Patron's nominees (Bishop Alan being the Patron) and two community representatives.

It is vitally important that the good work being done in our schools should continue to go from strength to strength.

*The world would be better off
if people tried to be better.
And people would become better
if they stopped trying to be better off.*

*For when everybody tries to become
better off, nobody is better off.
But when everybody tries to become better,
everybody is better off.*

*Everybody would be rich
if nobody tried to become richer.
And nobody would be poor
if everybody tried to be poorest.*

*And everybody would be
what we ought to be
if everybody tried to be
what we want the other to be.*
