Restoration Finances

The next few months are critical in terms of establishing a solid foundation for our repayment strategy of the €950,000 bank loan. Also the total bill for church pews, which was additional to the contract sum, came to €100,000. so far €53,000 has been received in sponsorship. That leaves €47,000 outstanding. We would really appreciate more sponsorship.

There are others ways in which we invite you to support our fund-raising efforts:

- Take a set of Restoration Envelopes for making a weekly donation to the Fund
- Annual donations or a one-off donation would be most welcome.
- Support the various Fundraising Events particularly the Slice of Ireland Concert and the Junior Strictly Come Dancing.

We realise these are difficult economic times but our appeal is for the financial burden to be shared by more and more people. Every bit helps.
