Easter Blessing Prayer

*Beyond all doubt
it is right, and fitting,
and the fullest expression of who we are,
that we should always
praise and bless your name.*

*For you are the source of our life
and without you we vanish into nothingness.*

*But out of all our days
it is on this day above all
that our very being must cry out
in joyful benediction.*

*For it is today that you renew us
and give us new hope
by calling Jesus forth from the tomb
and crowning him as the Christ,
the fullness of all life.*

*In the power of his Spirit
We re-live his time among us,
his passage through death to new life,
and the gift of his life-giving Spirit
shaping us as his body in the world.*

*His Spirit is the living one,
going before us on our way.*

A Prayer for Peace in Ukraine

*As the fever of day calms towards twilight
May all that is strained in us come to ease.*

*We pray for all who suffered violence today,
May an unexpected serenity surprise them.*

*For those who risk their lives each day for peace,
May their hearts glimpse providence at the heart of
history.*

*That those who make riches from violence and war
Might hear in their dreams the cries of the lost.*

*That we might see through our fear of each other
A new vision to heal our fatal attraction to
aggression.*

*That those who enjoy the privilege of peace
Might not forget their tormented brothers and sisters.*

*That the wolf might lie down with the lamb,
That our swords be beaten into ploughshares*

*And no hurt or harm be done
Anywhere along the holy mountain.*

John O'Donohue, Benedictus
