A thought..

Humble people are grateful for small and big things; they pray often and know their need for prayer; they know they have faults and are no better or worse than most, and know they need God's mercy; they love children because they are childlike at times, and they know they are not humble all the time. They don't take themselves too seriously and are compassionate to the faults of others. They know who they are - in one way the least of all, but always loved, always forgiven, always a child of God.

*Lord, teach me to know myself well,
so that I can better know your love.*

Donal Neary SJ.

We must recover eternity if we are to find time
