Prayer for Day for Life: Sunday 21st June

*Father and maker of all,
you adorn all creation with splendour and beauty,
and fashion human lives
in your image and likeness.
Awaken in every heart
reverence for the work of your hands,
and renew among your people
a readiness to nurture and sustain
your precious gift of life.
Grant this through our Lord Jesus Christ, your Son,
who lives and reigns with you
in the unity of the Holy Spirit,
God, forever and ever. Amen.*

From the Catholic Bishops of Ireland, Scotland, England & Wales:

*"Parenthood is a vocation of joys and hopes,
of griefs and anxieties.
For this year's Day for Life we wish to acknowledge
the particular grief of mothers and fathers
who have lost a child before birth or in infancy."*

Father's Day Prayer

Dear God, please bless all
fathers in the world.
Guide them to be good role
models and loving to their
families. Help them to be
a father like you are.
Give them patience
and grace to handle situations
in a loving way. Amen

Entrance Hymn: Be Thou My Vision

Be thou my vision, O Lord of my heart,
Be all else but naught to me, save that thou art:
Be thou my best thought in the day and the night,
Both waking and sleeping, thy presence my light.

Be thou my wisdom, be thou my true word.
Be thou ever with me, and I with thee, Lord:
Be thou my great Father, and I thy true son.
Be thou in me dwelling, and I with thee one.

High King of heaven, thou heaven's bright sun.
O grant me its joys, after victory is won:
Great heart of my own heart, whatever befall.
Still be thou my vision, O ruler of all.

Fr Colm

A Prayer for the Summer Holidays

*Lord God, we put ourselves into your hands,
and pray that you will bless us and our families
during the wonderful months of summer.
May we all help make our home a place of
relaxation, joy, love, peace and safety.
May we be generous and considerate,
not thinking only about ourselves,
but helping others enjoy
the blessings of summertime.
We ask this through Jesus Christ, our Lord. Amen.*

Board of Management Meetings

Fintra N.S.: Tuesday 23rd June 4.30pm.

Final Hymn: Faithful is the Lord our King

*Faithful is the Lord, our King.
Let us all in glory sing,
Ever praise in song and word:
Holy, Holy, Holy Lord!*

Holy Father, God of might,
Throned amid the hosts of light;
Take our life, our strength, our love;
King of earth and heav'n above. (Chorus)

Christ, be near at either hand,
Christ, behind, before me stand;
Christ, with me where e'er I go;
Christ, around, above, below. (Chorus)

99. It is not possible to provide a single, comprehensive definition of AI. What can be stated, however, is that we must avoid the misconception of equating this type of "intelligence" with that of human beings. These systems merely imitate certain functions of human intelligence. In doing so, they often surpass human intelligence in speed and computational capacity, offering tangible benefits across many fields. Yet this power remains entirely tied to data processing. So-called artificial intelligences do not undergo experiences, do not possess a body, do not feel joy or pain, do not mature through relationships and do not know from within what love, work, friendship or responsibility mean. Nor do they have a moral conscience, since they do not judge good and evil, grasp the ultimate meaning of situations, or bear responsibility for consequences. They may imitate language, behaviour and analytical skills, or even simulate empathy and understanding, but they do not understand what they produce, for they lack the affective, relational and spiritual perspective through which human beings grow in wisdom. Even when these tools are described as capable of "learning," their way of doing so is different from that of a human person. It is not the experience of those who allow themselves to be shaped by life and grow over time through choices, mistakes, forgiveness and fidelity. Rather, it is a form of statistical adaptation based on data and feedback, which can be very effective, but does not imply inner growth.
