Let us pray for our earth:

*Creator God,
transform our hearts and minds
that we may learn to live
a more sustainable lifestyle,
to walk lightly on the Earth
with gentleness and love,
respecting all forms of life.
Help us to be mindful of our impact on the world
and its people near and far.
Let us go forth to heed the cry of the Earth
and of the poor, to care for God's world,
to prepare for a better future,
for the coming of God's kingdom of
Justice, Love, Peace and Beauty.
Amen.*

Entrance Hymn: To Do Your Will

To do your will is my desire.
To live in you, Lord, is my life.
To spread your love through all the earth,
To find in you the joy of life.

All of my days I sing your praise.
Thro' all my nights you are my light
You will shine forth thro' all my years,
And joyously will bring me home.

And so, my God, I give to you
These straining words, these restless rhymes,
And take my life as a tribute of
Your endless love for human kind.

Final Hymn: Freely Freely

God forgave my sin in Jesus' name
I've been born again in Jesus' name
And in Jesus' name I come to you
To share his love as he told me to.

*Chorus: He said freely, freely you have received;
Freely, freely give,
Go in my name and because you believe
Others will know that I live.*

All power is given in Jesus' name
In earth and heaven in Jesus' name,
And in Jesus' name I come to you,
To share his power as he told me to. (*Chorus*)
