### Family blessings we received...

Blessed are we for your kindness and generosity.

Blessed are we for your quick wit, wicked sense of humour and phenomenal one-liners.

Blessed are we for your honesty and the way you weren't afraid to speak your mind.

Blessed are we for your example of tenacity, courage and always willing to try something new.

Blessed are we how you carried yourself with pride and dignity even in great adversity.

Blessed are we for the pride you took in us and your joy in our achievements.

Blessed are we for the way you taught us to enjoy the great outdoors and our four-legged friends.

Blessed are we for having you and for the wonderful memories.
