Prayer for Exams

God stay close to me today

Guide my study and light my way.

Ease my nerves and comfort me
with peace and love so tenderly.

May I remember the things I need
and understand all I study and read.

May I strive to give my best
and do myself justice in each test.

May the topics I know and like appear
on the exam paper to lessen my fear.

And during the moments I may feel stressed
I'll try to remember the ways I'm blessed.

And if there are times that I feel at sea,
help me to trust that you're here with me.
Amen.
