Prayer for Exams

You know, Lord, no matter how often you do exams it is always the same. I've been through all this before, the late nights, the cramming, the funny feeling in the pit of my stomach; and there always seems to be so much left to do. You would think I might be getting used to it by now. I'm not asking you to make up for what I have not done Lord. What I am asking is a restful night's sleep and freedom from useless anxiety. Help me to have confidence in what I have done, and to get it down on paper in some kind of order. And while I think of it Lord, take care of all the others too! Amen. *A candle will be lit in the church during exams for you*
