Consider

Consider

*The lilies of the field whose bloom is brief:
We are as they;
Like them we fade away,
As doth a leaf.*

Consider

*The sparrows of the air of small account:
Our God doth view
Whether they fall or mount -
He guards us too.*

Consider

*The lilies that do neither spin nor toil,
Yet are most fair:
What profits all this care
And all this coil?*

Consider

*The birds that have no barn nor harvest-weeks;
God gives them food:
Much more our Father seeks
To do us good.*
